CDI Summative Feedback (December 2016)

Thank you for providing us with your feedback on the Course Design Intensive. The CDI facilitators consider this feedback very seriously when we debrief and then plan for the next CDI.

0%

OVERALL CDI EXPERIENCE

The most important things I learned from participating in the CDI are...

Please let us know what top ideas/concepts/outcomes stand out as being most significant for you. If possible, let us know why this idea/concept/outcome matters to your teaching practice.

Type here

A specific example of how I plan to apply my learning is:

What specific actions will you take in the near and/or far future with the key learning you have gleaned from the CDI?

Type here

Time allocated to work on my own course during the CDI was..

- Too Much
- Just Right
- Not Enough

Comments

(for the above question)

Type here

Overall, how did the following components of the CDI contribute to your learning this week?

	Did not Contribute at All	Somewhat Contributed	Contributed A Lot
Pre-Session Activities			
Large Group Sessions			

	Did not Contribute at All	Somewhat Contributed	Contributed A Lot
Feedback from Peers	○	○	○
Feedback from Facilitators	○	○	○
Time to Work on my Own Course	○	○	○
Wiki	○	○	○

Please comment on any aspect of the above:

In this CDI, you had a chance to work as part of a "Design Feedback (Small) Group". Please let us know how, if at all, the work you did in these small groups, furthered your learning about course design and re-design.

Type here

I would like to suggest the following specific changes to the CDI:

Type here

I would recommend the CDI to others

- ○ Yes
- ○ No
- ○ Unsure

If you answered "yes" to the question above, please indicate who you might recommend the CDI to (check all that apply)

- ○ New Instructors
- ○ Seasoned Instructors
- ○ Graduate Students
- ○ Others (please specify) Type here

If you answered "no" to the question above, or are unsure whether you would recommend the CDI, please elaborate:

In order to complete my course design project, I am hoping CTLT might be able to offer the following support:

Please be as specific as possible. Support might include follow up workshops, topics you would like to learn more about, consultations, etcetera.
