<td><img src="#" alt="circles" /></td>
</tr>
</tbody>
</table>

- Have no other funding sources available to support this expense (not including PD funds).
- Have applied for other sources of funding to support the current publication/conference.

Q7 How much money are you applying for? Please provide an itemized budget of expenses (even if some are estimated).

________________________________________________________________

________________________________________________________________

________________________________________________________________

________________________________________________________________

________________________________________________________________

________________________________________________________________
Q8 Please indicate the total amount requested.

__________________________________________________________________________

Q9 What will the funding be used for? Please select one.

○ Journal associated costs: Article processing charges or other fees related to publishing one’s scholarly work open access

○ Conference associated costs: Registration and travel costs

Q10 Journal Name:

__________________________________________________________________________

Q11 Manuscript status:

○ In preparation

○ Submitted

○ Under revision

○ Resubmitted with revisions

○ Accepted (will be given priority)

Q12 Abstract for journal submission:

__________________________________________________________________________

Q13 The Dissemination fund can only be used for academic, peer reviewed, indexed journals.
Traditionally, these journals have a doi, an impact factor (or other similar metrics), and are indexed by major databases. Does the journal adhere to these?

- Yes
- No
- Unsure

Q14 Please provide a link to the journal's aim and scope.

________________________________________________________________

Q15 How will the paper be published?

- A restricted-access paper
- An open-access paper in an otherwise-restricted journal
- An open-access paper in an open-access journal (that is, all papers are freely available to everyone)

Q16 Please provide a link to the journal page that describes its impact and metrics (if applicable).

________________________________________________________________
Q17 The Dissemination Fund can only be used for academic, peer reviewed conferences. These conferences often have a program committee that is led by academics, and a peer review process. Does the conference you wish to attend adhere to these?

○ Yes

○ No

○ Unsure

Q18 What is the name of the conference?

________________________________________________________________

Q19 What is the location of the conference?

________________________________________________________________

Q20 What are the dates of the conference?

________________________________________________________________
Q21 What are you submitting?

- A full paper with archived proceedings
- An abstract-based presentation
- A poster
- A workshop
- An invited keynote or invited panel
- Other ____________________________

Q22 What is the current status of your submission?

- In preparation
- Submitted
- Accepted (will be given priority)

Q23 What is the title of your submission?

________________________________________________________________

Q24 Abstract of your submission:

________________________________________________________________
________________________________________________________________
________________________________________________________________
________________________________________________________________
________________________________________________________________
Q25 Please provide a link to the conference site.

________________________________________________________________

Q26 In what ways can you give back to SoTL activities at UBC in order to build capacity within or outside your own department/discipline?

________________________________________________________________

________________________________________________________________
