
Introduction

Thanks for your interest in applying for the SoTL Seed Grant. The following application form will help us learn more about your project and needs. Please contact isotl.cltl@ubc.ca with any questions you may have.

After submitting the application you will no longer be able to access or edit it. A pdf form of this application can be downloaded here.

All members of the UBC community are invited to apply but priority will be given to applicants with teaching responsibilities and those who have not held and active SoTL Seed project over the last 12 months.

**Please do not copy and paste text from other funding applications when completing this form.*

Proposed Project Title

Related projects

Is this project related to an existing or previous UBC funded project (e.g. TLEF, OLAF, OER)?

- This project constitutes/is part of my funded project evaluation
- This project is related to a funded project, but is not a part of my original proposal
- No, this project is not related to any funded project

Please indicate the Title and PI of the funded project this SoTL proposal relates to:

TLEF Evaluation

Good news! You do not need to fill out this form, please contact Trish Varao-Sousa (trish.varao-sousa@ubc.ca) for more information.

Overview

PRINCIPAL APPLICANT INFORMATION

Name

Email address

Position

Department or Unit

Faculty

Please provide names and email addresses of any additional applicants. Do not include ISoTL or CTLT staff.

Project info

PROPOSED PROJECT

Project Summary

Please provide a short summary of your suggested SoTL project. (100 words or fewer)

Context: Where will the project take place?

The SoTL Seed program supports research on teaching and learning at UBC. Please indicate the course number(s)/program(s), topics, number of students, and format of the instructional activities in which this project will take place. (100 words or fewer)

Research question(s): What question(s) would you like to answer within the scope of this project?

Please list the research questions that will guide your project (100 words or fewer)

Focus of inquiry: What teaching and learning practices do you plan to focus on?

Please describe the specific pedagogies or practices you seek to investigate within the course(s)/program(s) identified above. (100 words or fewer)

Practical significance: What are the potential contributions of your project to teaching and learning practice at UBC and beyond? (100 words or fewer)

Theoretical significance: What are the potential contributions of your project to theory of teaching and learning in higher education? (100 words or fewer)

Background: What does the literature say about similar projects?

Please synthesize relevant literature, pointing out references. (100 words or fewer)

RESEARCH PLAN

What is your tentative research plan?

If accepted, this piece will be further developed with SoTL Seed support. (100 words or fewer)

What elements of your project do you need assistance with?

This information will help us understand the requirements of your project and make sure that the available expertise matches your needs. If you require support that is not part of the SoTL Seed program (e.g. course development, program review, integration of learning technologies), please contact us at ctlr.isotl@ubc.ca.

	Not at all	Some support	Full support
Development of research plan	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
BREB application	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Interviews and focus groups	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Survey development	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Statistical analysis	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Text and open response analysis	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Learning and instructional design [LIMITED SUPPORT BY CTLT]	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Scholarly dissemination [LIMITED SUPPORT BY SOTL SEED]	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Literature review [LIMITED SUPPORT BY SOTL SEED]	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Please elaborate on the **learning and instructional design support** you require for this project.

Other area of support needed: (optional)

When do you anticipate beginning data collection? (50 words or fewer)

Is this project related to existing work with CTLT?

- Yes
 No

Name of person in CTLT that is presently supporting aspects of this work, and what role you expect this staff member to play in the SoTL Seed project:

Block 4

Please note that after submitting the application you will be able to review a summary, please save a copy for your own records. The ISoTL team will be reviewing the applications in January 2022 and contact you at that time.
